COP28 | GERMAN CLIMATE PAVILION

Nature-based Solutions meet Circular Economy: cascading use of biomass

9/12/2023 4:30 PM

UTC+4 (DUBAI TIME)

BMUV

Join us in the **German pavilion** (Blue Zone, B5, Number 51):

- Nexus of Nature-based Solutions for climate & biodiversity and circular economy.
- Effects of current regulations and policies.
- Potentials of a cascading use of biomass for climate action.
- Best practice for innovative biomass use.

High-level Dialogue:

- German Environment Minister Steffi Lemke
- German Agriculture Minister Cem Özdemir

Expert Panel:

- Janez Potočnik (Co-Chair IRP)
- Éliane Ubalijoro (CEO Cifor/ICRAF)
- Giacomo Grassi (EU JRC Senior Scientific Officer)
- Prof. Philipp Misselwitz (Executive Director Bauhaus Earth)
- Franziska Tanneberger (Head of Greifswald Mire Centre)

Moderator: Katie Gallus, geographer and international moderator
