

# Digital Campus

Learn, Engage, Discover.

## Welcome to the Digital Campus of the Landscape Academy

The Digital Campus is a transformative learning hub brought to you by CIFOR-ICRAF and the Global Landscapes Forum. The Campus connects diverse landscape actors and on-the-ground experts through demand-driven and tailored learning experiences to upskill and advance the next generation of sustainable landscape professionals.

### LEARN

Learn about all things related to sustainable landscape management through innovative and interactive curated courses.

### ENGAGE

Engage with members of the community, co-create knowledge, and share experiences.

### DISCOVER

Discover the latest resources about sustainable landscape management across our nine themes.

### ABOUT LANDSCAPE ACADEMY

The Landscape Academy offers a wide range of opportunities to address global challenges, supporting professionals worldwide to apply landscape approaches effectively in their contexts. Join thousands of learners to expand your knowledge, connect with fellow learners, and shape your career in sustainable landscape management.
